# REVERSIBLE DITCHING BUCKETS

- Entirely made of **Hardox® 450 steel**. Lighter and more durable than commercial steel.
- The **reversible Cotech ears** enable front digging under obstacles, drains, or near building foundations. Increases operational versatility and saves time.
- Angled design to maximize raw material extraction and unloading.
- Reversible bolt-on cutting edge to prevent wear and faster maintenance.
- **Compatible with the majority of excavator manufacturers and models.**
